

SRI SRI RAVISHANKAR VIDYA MANDIR

Bangalore South

**School Calendar for the Academic Year
Grade XI**

2017-18

Broaden the vision. . . Deepen the roots. . .

Just information is not education.

It is culturing our behavior and attitude.

It is our ability to perceive things better.

The purpose of education is to increase awareness

Only an education that can nourish inbuilt

virtues can impart true intelligence.

-- H H Sri Sri Ravishankar
