

SRI SRI RAVISHANKAR VIDYA MANDIR

Bangalore South

School Calendar for the Academic Year

Grade IX

2017-18

Broaden the vision. . . Deepen the roots. . .

Just information is not education.

It is culturing our behavior and attitude.

It is our ability to perceive things better.

The purpose of education is to increase awareness

*Only an education that can nourish inbuilt
virtues can impart true intelligence.*

-- H H Sri Sri Ravishankar
